

EDITORIAL NOTE: Subjects in this study were queried on their sexual history on several different occasions, including at enrollment and in follow-up questionnaires. We have modified the first follow-up questionnaire to make it more general.

GUANACASTE PROJECT

SECTION C. WOMAN'S SEXUAL HISTORY

The next questions are about your sexual history. I realize this is a personal subject, but it is very important to the study. Please take the time to recall the information as accurately as possible. I want to remind you that this is a private interview and that the information you give me will not be shared with anyone.
